

**UNITE AGAINST
GUN VIOLENCE**

**MAKE YOUR
VOICE HEARD**

Global Week of Action Against Armed Violence

The world is over-armed and peace is underfunded. By supporting arms control measures, you are enabling those voices who are impacted by gun violence to be heard. I urge you to take action by:

- Ensuring the safe storage of ammunition;
- demonstrating the political will to undertake targeted efforts to ensure the full and effective participation of women in discussions and solutions relating to small arms control;
- and actively implementing the UNPoA to break the cycle of violence by intervening before gun violence occurs.
